RECONSTRUCTION OF ROUTE 90

The City of Winnipeg's Route 90 reconstruction project involves the realignment of Kenaston Boulevard at Academy Road, significantly enhancing traffic flow in the area. The planned realignment will create a straight path for vehicles passing by 612-620 Academy Road, improving access and making it easier for drivers to enter the parking lot. This will result in better access and increased exposure for tenants and the shopping center. With smoother traffic patterns, businesses will benefit from higher visibility, greater customer traffic, and a boost to the local commercial environment.

BEFORE

AFTER

Conception of proposed changes to Route 90 at the intersection of Kenaston Boulevard and Academy Road. (City of Winnipeg)
